NOTICE

Admission of waitlisted candidates against unconfirmed seats

Physical admission for programmes offered at Bengaluru, Delhi, Giridih and Kolkata has now been completed for the academic year 2026-27. During physical admission, some candidates failed to confirm their provisional admission through document verification and other formalities by 15 July 2026. The seats offered to them are deemed to have fallen vacant. A few more seats also remained vacant after Third Round Provisional Admission. All these vacant seats will be filled up on 20 July 2026, as much as possible, by candidates who accepted waitlist offer in the First Round Allocation but were not offered provisional seats in the subsequent rounds. For this purpose, a list of seats available for admission under various categories is uploaded on the admission website on 17 July 2026. Waitlisted candidates seeking admission against these seats may please report to the [venue of admission](#) at 10:30 am on 20 July, 2026. They may be admitted on the same day, depending on their eligibility for the said seats and position on the merit list. They should be prepared to pay the [Seat Acceptance Deposit and other requisite deposits/fees](#) through bank transfer, and carry the requisite documents as per the [verification checklist](#).
