

BUSINESS RULES FOR ADMISSION 2026-2027 (BSTAT (HONS.) AND BMATH (HONS.))

Admission to the BStat (Hons) and BMath (Hons) programmes offered by the Indian Statistical Institute is on the basis of the written test(s). The category-wise intake capacity of these two under-graduate degree programmes can be found on the online portal:

<https://admission.isical.ac.in>.

The business rules stated herein will be followed in the academic year 2026-27 for allocating seats for the BStat (Hons) and BMath (Hons) degree programmes. Seats are allocated to candidates considering the following factors:

- (i) The category [GEN, OBC-NCL, SC, ST, PwBD, GEN-EWS] of the candidate.
- (ii) The gender of the candidate
- (iii) The position of the candidate in merit list(s).
- (iv) Number of seats in a given programme.
- (v) Other business rules as mentioned in this document.

1 Categories of Candidates

For the purpose of admission, all candidates who qualify after written test(s) should be partitioned into different categories based on (birth) categories, presence or absence of disability and nationality. On the basis of such a partition, each candidate is assigned a category tag as given below.

GEN: This tag is assigned to Indian nationals who do NOT belong to GEN-EWS, OBC-NCL, SC or ST category (or who fail to produce valid GEN-EWS, OBC-NCL, SC or ST certificate) and are NOT Persons with Benchmark Disabilities.

GEN-PwBD: This tag is assigned to Indian nationals who do NOT belong to GEN-EWS, OBC-NCL, SC or ST category (or who fail to produce valid GEN-EWS, OBC-NCL, SC or ST certificate) and are Persons with Benchmark Disabilities. Candidates must produce a valid PwBD certificate to be assigned this tag.

GEN-EWS: This tag is assigned to Indian nationals of General category belonging to Economically Weaker Section (GEN-EWS) as defined in [Order No.36039/1/2019-Estt \(Res\)](#), Government of India, Ministry of Personnel, Public Grievances & Pensions, Department of Personnel & Training, and are NOT Persons with Benchmark Disabilities. Candidate must produce a valid GEN-EWS certificate to be assigned this tag.

- GEN-EWS-PwBD: This tag is assigned to Indian nationals of GEN-PwBD category belonging to Economically Weaker Section (GEN-EWS) as defined in [Order No.36039/1/2019-Estt \(Res\)](#), Government of India, Ministry of Personnel, Public Grievances & Pensions, Department of Personnel & Training, and are Persons with Benchmark Disabilities. Candidates must produce valid GEN-EWS and PwBD certificates to be assigned this tag. Thus, candidates belonging to the economically-weaker sections of the general category are divided into two mutually exclusive categories and are assigned either one of the tags GEN-EWS or GEN-EWS-PwBD.
- OBC-NCL: This tag is assigned to Indian nationals who belong to the Non-Creamy Layer of Other Backward Classes and are NOT Persons with Benchmark Disabilities. Candidates must produce a valid OBC-NCL certificate to be assigned this tag. The backward class must be in the Central List of OBCs.
- OBC-NCL-PwBD: This tag is assigned to Indian nationals who belong to the Non-Creamy Layer of Other Backward Classes and are Persons with Benchmark Disabilities. Candidates must produce valid OBC-NCL and PwBD certificates to be assigned this tag. The backward class must be in the Central List of OBCs. Thus, candidates belonging to the Non-Creamy Layer of Other Backward Classes are divided into two mutually exclusive categories and are assigned either one of the tags OBC-NCL or OBC-NCL-PwBD.
- SC: This tag is assigned to Indian nationals who belong to Scheduled Castes and are NOT Persons with Benchmark Disabilities. Candidates must produce a valid SC certificate to be assigned this tag.
- SC-PwBD: This tag is assigned to Indian nationals who belong to Scheduled Castes and are Persons with Benchmark Disabilities. Candidates must produce valid SC and PwBD certificates to be assigned this tag. Thus, candidates belonging to the scheduled castes are divided into two mutually exclusive categories and are assigned either one of the tags SC or SC-PwBD.
- ST: This tag is assigned to Indian nationals who belong to Scheduled Tribes and are NOT Persons with Benchmark Disabilities. Candidates must produce a valid ST certificate to be assigned this tag.
- ST-PwBD: This tag is assigned to Indian nationals who belong to Scheduled Tribes and are Persons with Benchmark Disabilities. Candidates must produce valid ST and PwBD certificates to be assigned this tag. Thus, candidates belonging to the scheduled tribes are divided into two mutually exclusive categories and are assigned either one of the tags ST or ST-PwBD.

2 Gender tag of a candidate

On the basis of gender each candidate is given a gender tag as given below.

- F: This tag is assigned to all female candidates.
- O: This tag is assigned to all remaining candidates.

3 Merit List(s)

Merit lists for admission to each programme mentioned above will be prepared based on the qualifying score of candidates in Written test I and Written Test II. The following merit lists will be prepared:

- (i) GEN merit list : It includes candidates who are assigned the tag GEN, GEN-PwBD, GEN-EWS, GEN-EWS-PwBD, OBC-NCL, OBC-NCL-PwBD, SC, SC-PwBD, ST or ST- PwBD and have obtained a score greater than or equal to the general qualifying score.
- (ii) GEN-EWS merit list : It includes candidates who are assigned the tag GEN-EWS or GEN-EWS-PwBD and have obtained a score greater than or equal to the GEN qualifying score.
- (iii) OBC-NCL merit list: It includes candidates who are assigned the tag OBC-NCL or OBC-NCL-PwBD and have obtained a score greater than or equal to the OBC qualifying score.
- (iv) SC merit list: It includes candidates who are assigned the tag SC or SC-PwBD and have obtained a score greater than or equal to the SC qualifying score.
- (v) ST merit list: It includes candidates who are assigned the tag ST or ST-PwBD and have obtained a score greater than or equal to the ST qualifying score.
- (vi) GEN-PwBD merit list: It includes candidates who are assigned the tag GEN-PwBD, GEN-EWS-PwBD, OBC-NCL-PwBD, SC-PwBD, or ST-PwBD and have obtained a score greater than or equal to the PwBD qualifying score.

4 Categories of Seats

The total intake for a programme is divided into two seat-pools, namely, Gender-Neutral and Female-Only pools. The Female-Only pool includes seats for female candidates. Non-female candidates will be eligible only for seats in the Gender-Neutral pool. Female candidates are eligible for seats from both the pools.

The total intake in each of the two pools is further divided into different seat categories.

For the Female-Only pool these are GEN(F), GEN-PwBD(F), GEN-EWS(F), OBC-NCL(F), SC(F), ST(F).

For the Gender-Neutral pool these are GEN(N), GEN-PwBD(N), GEN-EWS(N), OBC-NCL(N), SC(N), ST(N).

The category and gender tags of candidates who are eligible for various seat categories are as shown in the following tables.

- Not all Seat Categories indicated in the right-most column may be applicable for a candidate. For example, a candidate with gender tag O is not eligible for any seat-category in the Female-Only pool (Section 4).
- As indicated in the foregoing table, candidates may become eligible for seat allocation in more than one seat category depending upon their category tag and merit lists in which they appear. If the seat allocated to a candidate is not in the topmost category listed in the last column of the above table, in subsequent rounds of seat allocation, the candidate will be automatically considered for upgradation of seat category.

Meaning of upgradation of seat category. Suppose a candidate with the category tag SC has been allocated a seat under the seat category SC. Also, suppose that this candidate appears

in two merit lists: GEN and SC. For this candidate, in subsequent rounds of seat allocation, an attempt will be made to offer a seat in the seat category GEN.

4. If there are less number of seats available under a particular category in an academic programme than the number of candidates with the same category-wise rank seeking admission to the programme, then all those candidates will be offered seats by creating requisite number of supernumerary seats.
5. Rules for de-reservation of seats are as follows.
 - (a) Seats in the Female-Only pool, if remain unfilled, will not be transferred to the Gender-Neutral pool.
 - (b) If the number of seats in OBC-NCL(F) (resp. OBC-NCL(N)) category in any particular round of seat allocation is greater than the number of eligible candidates in the OBC-NCL(F) (resp. OBC-NCL(N)) list then the difference will be de-reserved and treated as GEN(F) (resp. GEN(N)) category seats for allocation in the subsequent rounds of seat allocation.
 - (c) If the number of seats in GEN-PwBD(F) (resp. GEN-PwBD(N)) category in any particular round of seat allocation is greater than the number of eligible candidates in the GEN-PwBD(F) (resp. GEN-PwBD(N)) list then the difference will be de-reserved and treated as GEN(F) (resp. GEN(N)) category seats for allocation in the subsequent rounds of seat allocation.
 - (d) If the number of seats in SC(F) (resp. SC(N)) category in any particular round of seat allocation is greater than the number of eligible candidates in the SC(F) (resp. SC(N)) list, unfilled SC(F) (resp. SC(N)) seats will be open to ST(F) (resp. ST(N)) category candidates. Similarly, if the number of seats in ST(F) (resp. ST(N)) category in any particular round of seat allocation is greater than the number of eligible candidates in the ST(F) (resp. ST(N)) list, unfilled ST(F) (resp. ST(N)) seats will be open to SC(F) (resp. SC(N)) category candidates. However, unfilled SC and ST category seats will NOT be de-reserved as GEN seats.
 - (e) If the number of seats in GEN-EWS(F) (resp. GEN-EWS(N)) category in any particular round of seat allocation is greater than the number of eligible candidates in the GEN-EWS(F) (resp. GEN-EWS(N)) list then the difference will NOT be de-reserved.

6 Merit List to Admission for Academic programmes

6.1 Provisional allocation of Seats

1. From the merit list(s) and the sequencing order specified in Section 5, provisional allocation of seats will be made to eligible candidates for each programme. In each round, each candidate on the merit list(s) will either be allocated a provisional seat in the respective programme or put on the wait list.
2. Candidates are given a 2-3 day window in each round to fill-in their options:

- (a) If a candidate is offered a provisional seat then the candidate has the option of accepting or declining the provisional seat.
- (b) While accepting the provisional seat offer, a candidate will be required to pay a 'Seat Acceptance Deposit' (refundable).
- (c) If a candidate is offered a position on wait list for a seat then the candidate has the option of accepting or declining to remain on the wait list.
- (d) Any candidate on the merit list(s) who does not fill in the option by the 2-3 day window will be assumed to have declined the respective option.
- (e) In the first round of seat allocation, while accepting the provisional seat or accepting a wait list offer, the candidate will have to complete registration formalities for confirmation of choice. In subsequent rounds, a candidate will have to accept/decline the option if the offer changes.
- (f) A candidate who has declined a provisional seat offer or wait list offer at any round is NOT considered for the rest of the admission process. Candidates will NOT be able to change this option.

6.2 Provisional Seats to Confirmation of Admission

1. A candidate who accepts a provisional seat offer will receive by email a *Provisional Seat Allocation Letter* which will specify date of reporting, reporting centre and financial fee details.
2. Candidates who have accepted a provisional seat or wait list offer should report at a Reporting Center for document verification on the specified date.
3. If a candidate accepts a provisional seat then the candidate's admission will be confirmed by the Reporting Centre after verification of the original documents and ensuring that the candidate meets all the eligibility norms. Failure to report in person for seat acceptance will be considered as if the candidate has declined the provisional seat offer. This seat will be assigned to the next eligible person on the wait list.
4. If a candidate accepts a wait list offer then verification of the original documents will be done at the Reporting Centre to ensure that the candidate meets all the eligibility norms. At the final round if the candidate is eligible for a seat as per the sequencing order then the candidate will be offered admission to the programme. Failure to report in person will be considered as if the candidate has declined the wait list offer.

6.3 On-spot admission

On-spot admissions will be conducted only once in a particular year of admission.

7 Miscellaneous

1. Only those candidates who appear for Written Test(s) (unless otherwise mentioned in the [Selection Policy](#)) will be considered for merit list ranking.

2. Filling-in of options on the online portal for waitlisted candidates is free of cost, i.e., candidates who are waitlisted are NOT required to pay any deposit while accepting the offer.
3. Candidates will NOT be able to change their options once submitted.
4. Delays or disruptions in service due to breakdown of admission portals/computer servers [due to reasons beyond control] shall be rectified as early as possible and notified on the website

<https://admission.isical.ac.in>.

The decisions taken in this regard shall be final and binding.

5. The admission process for a programme will close when all confirmations of provisional admissions and spot admissions (if any) are completed.
