This is to draw the attention of all candidates who had indicated YES to the PwBD category in the application portal and requested for **special assistance** in ISI admission test 2026.

Based on your application, relevant certificates submitted, facilities asked for and suggestions from our institute doctor, we have prepared a list of the facilities we will provide to the candidates mentioned below. You can identify yourself from your application number and registration number.

If you had asked for a facility and your name is not in the list, get in touch with us by e-mailing at admissionsupport@isical.ac.in with all details latest by May 4, 2026.

The arrangements for Persons with Disabilities in the admission tests of ISI, and criteria used for the same, will be in accordance with the Guidelines for conducting written examinations for Persons with Benchmark Disabilities, as per Office Memorandum F. The services of a scribe are available to candidates as per the above indicated Office Memorandum (Para VI, Page 2 and Para XII, Page 3).

- (i) An eligible candidate will arrange for own scribe and the qualification of the scribe will be one step below the qualification of the candidate taking the examination. The candidate with benchmark disabilities opting for own scribe should submit details of the own scribe as per proforma at Appendix-II of the attached Office Memorandum [F. If it is found that a candidate has used the services of a scribe and/or extra time, but DOES NOT possess the extent of disability that warrants the use of a scribe and/or extra time, he/she will be excluded from the process of evaluation, ranking and admission.
