

INDIAN STATISTICAL INSTITUTE

Admission 2026

Submission of Mark-Sheets During the Physical Admission

This notice is meant for candidates who have been selected for admission to a program of Indian Statistical Institute (ISI) but whose results were awaited at the time of interview. A candidate eligible for admission must necessarily produce the official mark-sheet of the qualifying examination during the [physical admission process](#). If a candidate is not able to produce this document, then she/he will be given provisional admission **only if** she/he can produce a formal letter issued by an authorised person. The authorised person should be the Head of the Department (HOD) or Dean or Principal or a person with similar position, of her/his Institute/University/College/School. The formal letter should necessarily be on an official letterhead with proper seal, signature, date, and contact details of the authorised person. The formal letter must clearly mention (i) that the candidate has appeared for the qualifying examination (with the date of examination), and (ii) a tentative date for the declaration of the results.
