

WAIVER OF WRITTEN TESTS FOR ADMISSION 2026-2027

Applicants to B Stat and B Math programmes who are INMO awardees

The written test is waived for applicants to either of these programmes who have been selected as INMO AWARDEES to participate in the International Mathematics Olympiad Training Camp (IMOTC) in either 2025 or 2026. The number of seats for INMO AWARDEES is supernumerary, subject to a maximum of 5 seats. The selection to these supernumerary seats will be based on an interview.

Like all other candidates, such candidates are also required to apply in the prescribed online application form for admission to the programme. Merely holding an INMO Certificate of Merit from Homi Bhabha Centre for Science Education (HBCSE) or clearing any Math Olympiad organized by any other organization will not suffice for waiver of written tests for selection to the programmes.

Applicants to M Tech (CS), M Tech (CrS) and M Tech (QROR) programmes with valid GATE scores

There is a separate channel of admission to the above mentioned programmes for applicants with a valid GATE score above a threshold. The details are mentioned in the Selection Policy for GATE Channel. The number of seats in the GATE Channel are mentioned in Table 5 in Section 5 of the Prospectus.

These candidates are required to apply, like all other candidates, through the application portal.

Applicants to JRF Programmes holding a master's degree from ISI

For applicants to the JRF Programmes in Mathematics, Computer Science and Quantitative Economics, there is a separate channel for students of the corresponding Master's programme in ISI. The detailed eligibility criterion is mentioned in Subsection 7.17 of the Prospectus. The procedure for selection is mentioned in the Selection Policy for JRF programmes.

These candidates are required to apply, like all other candidates, through the application portal.
